Become an ICT Academy Student

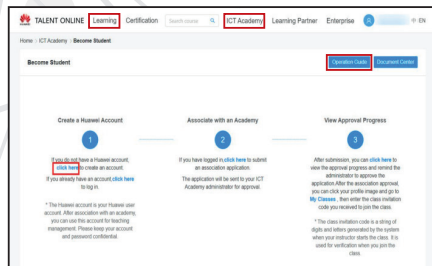

Use QR code for ICT Academy

- Click on ICT Academy Student to register for a Learning ID

- Follow 3 simple steps to create a Learning ID as shown in graphic below:

Activate your Learning Account and sign up for your courses:

- Check your mailbox for the activation link to activate your Learning ID
- You will then be able to login using the Learning ID you created
- See graphic above on how to access the Course Catalogue
- More courses can be found under the 'Learning' tab shown on top of ICT Academy main page
- For any queries please contact your Academy instructor or email us at talentweu@huawei.com
