

## **APPLICATION ERASMUS+ PROGRAM FOR 2017-2018 SPRING SEMESTER**

The selections of Erasmus outgoing students both for Fall and Spring semesters were already completed. However, due to cancellations, we have a significant number of empty slots, and a new selection process will be conducted for the 2017-2018 Spring semester in order to fill the empty slots.

I would like to inform you that due to limited budget for 2017-2018, **students that will be selected in the second round will NOT BE FUNDED.**

Students with a minimum CGPA of 2.50 and currently in their minimum 3rd or maximum 6th registration semester are eligible to apply submitting their applications online through our web based program at <http://app.erasmus.bilkent.edu.tr/>.

To complete application process, you should submit signed hardcopy of application forms along with your CV's and statement of purposes till **October 23, 2017** to Dr. Duygu Albayrak

Qualified students' CGPAs will be checked by the Office of International Exchange Programs at the end of Fall semester to make sure that they are still qualified for the program.

Your ranking will be based on %50 CGPA and %50 Language proficiency. Your language proficiency level will be calculated based on your score received in ENG 101(%25) and ENG 102(%25) courses. The ranking results will be announced by the departments.
