Dear Students,

Would you like to gain international experience without having to travel abroad? Haaga-Helia University of Applied Sciences (Finland) is offering a **Virtual Exchange Program** for the **Spring 2026 semester**.

You can choose from a wide variety of **virtual and online courses**:

- **Virtual courses:** No scheduled lessons, independent studying.
- **Online courses:** Scheduled online classes with a student group.

There is no limit to the number of courses you can select (usually between 3–35 ECTS). However, please note that enrollment is subject to availability, as virtual exchange students register during the second enrollment period.

Nomination deadline: December 1, 2025

Application deadline: December 11, 2025

You can find more information and apply through this link:
