Application points will be calculated and student rankings will be based on %50 CGPA and %50 language proficiency like the previous years. The language proficiency level of each applicant will be calculated based on his/her score received in ENG 101 (%25) and ENG 102 (%25) courses. For students who choose Pass/Fail grades in their courses, the letter grades behind SE and UE will be used to calculate their CGPA points. Same method will be used for English proficiency points if ENG 101/102 courses were graded with SE/UE.

Children of veterans and martyrs will be given "+15" points. Students with disabilities, those under protective care, as per Law No. 2828 and students or their parents residing at the earthquake region will be given "+10" points. Those students who are applying for mobility to the country they hold the nationality and students who already submit an application or was participated to any Erasmus Program in his/her current degree, will be given "-10" points.

A traineeship is a period of time that a student can spend in an enterprise or organization in another participating country, with the aim to help rove work experience. The traineeship period assists the students in their future professional lives.

Grant distribution of the applicants will be based on the same ranking criteria as the Erasmus+ student mobility for studies program. The final grant distributions will be made based on the amount of Erasmus funds allocated to our University by the

National Agency. Grant distribution process of applicants will be made from the highest ranking applicant to lowest one on the list within each department independently. Please also note that selected students who cannot be funded, but are able to meet their expenses themselves, are welcome to go on Erasmus as a zero-grant Erasmus+ student.
